Which one of the following statements is TRUE in regard to overloading the ++ operator?

1 You cannot define a post-increment operator.

2 You cannot define a pre-increment operator

3 You cannot define both a pre-increment and post increment operator for a class.

4 You must use a dummy parameter to define a post increment operator.

5 You should always create a pre-increment

operator when overloading ++. - Rank: 4082 - Votes: 34 - Views: 2428 -
